Chalfont TV

Only non-partisan organizations and businesses are eligible to place information **free of charge** on Chalfont Borough's cable channel if the message is intended to benefit the Chalfont community. Chalfont Borough reserves the right to reject any information submitted for placement on Chalfont Borough's cable channel. No entities other than Chalfont Borough are guaranteed placement of information on Chalfont Borough's cable channel. Messages will not run for more than 4 weeks, unless a special exception is granted by the Borough Manager.

Businesses and for-profit organizations are eligible to sponsor programming on Chalfont Borough's cable channel. The slide will be included in every cable message cycle. Businesses may submit their logo, business name, and contact information for the slide to sponsor the cable channel. (Logos should be sent electronically to one of the email addresses below). Messages may be included; however, specific advertisements of products or services are prohibited by the FCC on government access channels. The cost of one week of programming will be \$25.

All messages will "dwell" on screen for fourteen (14) seconds. The length of each message cycle depends on the number of messages.

Submit this form in any of the following ways:

Fax: 215-822-5528

E-Mail: bqualteria@chalfontborough.com or mshafer@chalfontborough.com

Mail: Chalfont Borough
