

HHW EVENTS

FREQUENTLY ASKED QUESTIONS

Q: Where exactly on site is the drop off?

A: There will be signs to direct you to the appropriate entrance.

Q: Is there a list of what is accepted at the event?

A: Please see the HHW flyer [here](#).

Q: What if it rains?

A: The event is rain or shine. We would only cancel the event if there were dangerous conditions such as severe wind or hurricane.

Q: What happens when we get there?

A: There may be a line of cars waiting, the line generally moves quickly. There will be volunteers taking surveys so that we may better serve you in the future. Stay in your car for your safety and everyone else's. Once you get up to the drop off area, again, stay in your car, you will be greeted by one of the workers, and you can tell them what you have and where it is. They will empty your car and you'll be on your way.

Q: Can we keep our container for gasoline?

A: Yes, just let the workers know when they empty the materials from your vehicle.

Q: You're only taking oil based paint. What do I do with latex paint?

A: Please see our paint flyer [here](#).

Q: Do you accept tube fluorescent bulbs?

A: Yes. We also take CFL bulbs, however, the bulbs must be unbroken.

Q: Do you take household batteries?

A: No, alkaline batteries (like AA, C, D, etc.) can go in household trash; they are not hazardous. We do take lithium batteries, car batteries, rechargeable batteries and button cell batteries.

Q: How do I get rid of my TV, microwave, or other electronic items?

A: Please see our electronic disposal flyer [here](#).
